

Garden Club is Back!

The Garden Club is looking for any 1st - 5th grade student interested in gardening, learning about plants, and exploring our Earth. Our garden is located behind the school. It is off to a great start! Part of the Garden Club's responsibilities will be doing the upkeep for the garden. We'll also learn the basics of gardening, gain an appreciation for nature, learn ways to beautify our community and Earth, learn ways to be creative with our resources by creating various garden projects, plant varieties of plants and flowers in our garden, and learn about the life cycle of gardens and plants. We will meet on various Tuesday/Thursday afternoons (immediately after school) in Room 144, from 3:30 - 4:05 pm. (Our last few meetings will be a little lengthier as those will be our planting dates! Details will follow in the Confirmation letter.) We will meet during the month of October and then take a break through the winter until February. October dates are listed below; ALL dates for the entire school year will be sent home in a confirmation letter (confirming your child's membership into our club).

If your child is interested in becoming a Garden Club member, please fill out the form below and return it to Mrs. Moore (3rd Grade Teacher) or Mrs. V (1st Grade Teacher) ASAP but no later than Friday, October 8th, 2010. Garden Club will only take a maximum of 40 people this year! Our October meeting dates are as follows:

Tuesday, October 12 th , 2010	Thursday, October 14 th , 2010
Tuesday, October 19 th , 2010	Thursday, October 21 st , 2010
Tuesday, October 26 th , 2010	Thursday, October 28 th , 2010

ALL MEETINGS IN OCTOBER WILL BE FROM 3:30 - 4:05 PM!

Please return this form to Garden Club Teachers: Mrs. Moore or Mrs. V
