

# Homestead Elementary School's Annual Walk to School Day Wednesday October 6<sup>th</sup>

Join fellow students, parents, PTA, and staff in an “all school” event, celebrating health, fitness, and safety! Students will feel great about starting their day with some exercise, and will be rewarded with high-fives and stickers marking their accomplishment!!! All participants will enter the school through the cafeteria when the doors open at **8:25am** and water will be available.

Show your school spirit by wearing **Homestead Spirit-Wear** and creating your very own poster for the **poster contest!!!** Your poster can show the benefits of a healthy lifestyle including exercise and smart food choices. There will be winners in every grade level so bring your poster with you for everyone to see while you are walking to school!

Students riding buses may also join us.  
They will be picked up at their regular bus stop and transported to one of the following stops to walk with staff:  
Grand Ridge Circle and Barrington Drive E  
Thunderbird and Middlebury

Students wishing to ride the bus to Homestead will be transported all the way to the school.  
In case of torrential rain, this event will be cancelled, and you will be notified by a “Connect Ed” message.

Please email Stephany Hunt or Monica Mohanty if you would like to volunteer to help.  
stephanyhunt@yahoo.com or mmohanty@gmail.com
